Curriculum Area:	Home Learning:
Spanish 	**Year 4:** Hola Did you watch the video of the recipe? Did you cook it? Let's carry on with our Hispanic term. This week, let's focus on **flags**. You will need to match the flags with the country and later describe them using Spanish colours: Colombia: azul, Amarillo y rojo. After that, you can match the countries and learn their **capitals**: For example, the capital of England is London. I also attached a Pdf file with all flags from Spanish speaking countries and a map. It would be great if you learn some of the flags and try to locate the countries in the map. Later, watch a song that mentions all the Spanish speaking countries and let's see if you remember their location in the map: https://rockalingua.com/videos/spanish-speaking-countries Additional task: choose a flag and draw and colour it. Spanish speaking children: try to write sentences in Spanish about a courty. La bandera, localización, continente, capital, población.
