the best we can be.'*

January 2019

Dear Year 6 parents and carers,

I am pleased to be able to inform you that your child has been invited to attend booster classes to support their knowledge and understanding in maths. The children will be taught in small groups by either Miss Tittle, Mr Bentley and senior leaders Mrs O'Brien, Mrs McKelvey and Ms Barker.

This free, extra tuition is held in a small sized group and will definitely benefit your child in building skills in reasoning and the four maths operations. Maths booster classes will take place every Tuesday & Thursday morning at 8.10am. We do expect prompt and regular attendance at the weekly sessions to ensure that there is consistency and the children have the opportunity to cover all areas of maths. Please ensure that your child has had breakfast before they attend the booster ready to begin their learning.

Yours sincerely,

Mr Tittle

I give permission for my child _____ to attend booster classes every Tuesday and Thursday morning at 8:10 for the rest of this term.
