5<sup>th</sup> October 2018

Dear Parents and Carers,

As you are aware, this is a very important year for your child, as they prepare for their SATs and transition to secondary school. As part of the Hackney Learning Trust's secondary school admissions process all children in Year 6 in Hackney will be taking Cognitive Abilities Tests (CATs).

At St. Mary's, these will be taking place on the week beginning 15<sup>th</sup> October 2018. No revision for these tests is required. All children will complete the tests electronically in small groups of 10. Each test will take no longer than 40 minutes. The tests comprises of 3 parts which include Figure Classification, Verbal Analogies, Number Series and Figure Recognition.

As stated, no revision for these tests is required. However, as these tests are taking place in the mornings it is important that you do ensure that your child has had a sufficient breakfast and arrives to school on time.

If there are any further questions about these tests please do come and speak to Mr Tittle.

Kind Regards,

Breda Mckelvey
